Wooden Boat School COVID guidelines

September 4, 2020

The following guidelines will apply to all classes offered at the Hudson River Maritime Museum Wooden Boat School until further notice. If there are any questions about these guidelines please direct them to John Phelan at jphelan@hrmm.org

- Classes limited to 6 students
- Face masks must be worn at all times during the class
- Face shields may be required for activities requiring close instruction, at the discretion of the instructor or students
- 2 students per bench for small projects, at opposite ends of bench
- 1 student per bench for large projects, additional benches may be brought in from outside
- Classes are held outdoors when possible, or in shop with doors open otherwise
- Students and instructor must wipe down tools and touch points after class. This includes all tool switches and handles, door handles (shop and hall) light switches and any other items that may have been touched
- The kitchen, tool room, classroom and office are not available to students. The instructor may enter the tool room to acquire tools for the class
