

The Hudson River Maritime Museum (HRMM) is a museum and experiential center located on the Hudson River in Kingston, NY. HRMM has been in operation for over 40 years, and provides educational experiences to all ages with educational exhibits, and a variety of educational programming including lectures, festivals, conferences, wood-working and boat-building classes, sailing and rowing classes and educational tours on our solar tour boat.

HRMM is seeking to fill an important position on the Education Program team.

Health Director

The Health Director **must be a NYS certified EMT, Paramedic, LPN, RN, PA or MD**. The Health Director role is part-time and supervisory in nature, overseeing health and sanitation for the HRMM Voyager program, which includes up to 32 new and returning participants each week for six weeks from July 6th to August 14th, 2026. The Health Director assures that New York State Health Department requirements are reviewed and followed and facilities are prepared beforehand. The Health Director oversees the duties of the Assistant to the Health Director, who will be on-site during all Voyager program hours. Some administrative work can be done remotely and on flex-schedule. Other work must be done on campus.

Pay: \$ 22+ per hour.

1. Specific duties include, but not limited to:

- Supervises health and sanitation the HRMM Voyager program.
- Maintains participants' confidential medical history.
- Handles emergency preparedness and provisions for professional health care.
- Ensures required incidents are reported to the local health department.
