Pearson 30 Sail Boat

$7000

A classic liveaboard sailboat design, this boat is in great shape, with some chafing on the hull but no visible cracks. Includes everything you'll need to get out on the water: sails (main - good condition, jib - very good, genoa - new/like new, storm jib - good), rigging, fenders, spare tiller, settee and bunk cushions, and a head. The genoa features a roller furling system and a jib that has been modified to work with that.
