

## Regal 1900 LSR Powerboat

**\$7,000**

This is a well-regarded bowrider in excellent condition that offers a blend of performance and comfort. The motor runs well, and shifting, charging, temp and water pumping is normal. New steering, gimbals and bellows were installed in 2025, and the custom cover is like new. It could use a new propeller due to some scrapes, but according to the donor, "other than that it runs perfectly."

The engine was serviced and winterized by Roberti's Marine last fall. They advised replacing some old/weathered parts: starter (which works but has corrosion) and starter relay; spark plug wires; prop; trailer tires (we may be able to put new ones on); and possibly the bilge pump, which works in manual mode but not auto.

**Length Overall: 19 ft.**

**Beam: 8 ft.**

**Engine: Mercury MerCruiser 4.3 GL**

**Total Power: 190 HP**

**Year: 2000**

**Has title: YES**

**Location: Kingston, NY**

All proceeds from the sale of this donated boat go to funding public woodworking, sailing, and educational programs for adults and youth at the Hudson River Maritime Museum in Kingston, NY.
